
DECLARATION

My residence, post office address and citizenship are as stated below next to my name. I believe I am the original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled "Double Bag Vacuum Infusion Process and System for Low Cost, Advanced Composite Fabrication," the specification of which is attached.

I have reviewed and understand the contents of the specification, including the claims.

I acknowledge my duty to disclose information which is material to patentability as defined in 37 CFR § 1.56(a).

I claim the benefit of the United States Provisional Application listed below. Insofar as the subject matter of each of the claims of this application is not disclosed in the prior application in the manner provided by the first paragraph of 35 U.S.C. § 112, I acknowledge the duty to disclose information that is material to patentability as defined in 37 CFR § 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application.
